

Special Weights for Stability Test according to DIN EN 1335-3:2009 / supplement b08

This weight holder is fixed with an eye at your test item.
Different weight discs can be inserted without any problems.
Shifting is avoided by integrated disc - holders.

Loading discs are available in following dimensions:

1 kg, 2 kg, 4 kg, 5 kg, 10 kg

All weight plates are zinc plated.
